

An elderly couple is the central focus of the cover. They are seated on a trolley with white metal railings and plush red seats. The woman, on the left, has short white hair, wears glasses, a black coat, a white knit scarf, and white fur-lined earmuffs. The man, on the right, wears a grey flat cap, glasses, a black leather jacket, and black gloves. They are both smiling warmly at the camera. The background is a vibrant city street at night, filled with various neon signs in red, blue, and yellow, including one for 'HOTEL' and another for 'Cafe'. The overall atmosphere is festive and nostalgic.

# It's Christmas

The Holiday season at Kirby Pines is hard to ignore. From the seventeen foot Christmas tree in the Lobby, to the decorations residents have placed on their doors, a walk around the community provides everyone with a smile and feeling of joyfulness.

Many, however, say that until you feel the spirit of Christmas – there is no Christmas. The decorations, musical events and various edible treats are all here to enhance the Christmas season, but it is the true meaning of Christmas, that truly lifts our hearts. George Adams said that the birth of Jesus Christ stands as the most significant event in all history. Significant, because as George Adams said, "...the birth meant the pouring into a sick world the healing medicine of love which has transformed all manner of hearts for almost two thousand years... Underneath all the bulging bundles is the beating Christmas heart."

Adams' words make you stop to think about just how blessed you are. After all, we have ample food, a comfortable

place to live and one another. Yet one's heart cannot help but beat for one of America's strongest allies, France as their hearts continue to mend after the horrible terrorist act that occurred in Paris just last month. This Christmas, for many of them it will be a day of remembrance. A day in which to think of everything and everyone they love and have loved.

And so to you and France and the entire world, on this Christmas I suggest to your enemy, forgiveness. To an opponent, tolerance. To a friend, your heart. To a customer, service. To all, charity. To every child, a good example.

Merry Christmas,

Michael Escamilla,

## ON THE PINECONE COVER

### Kirby Pines Celebrates the Season Downtown!

It wasn't quite dashing through the snow, but it was in a one horse open carriage, to show our Christmas spirit for our December issue of The Pinecone.

Our front cover features Nancy and George Pence on Beale Street, during our sunset carriage ride downtown and cozied up together on our back cover are new residents, Carol and Bill Odom.

We loved being able to introduce these wonderful residents to one another, and it seemed to be the perfect pairing for the outing. Even though the evening air was a bit on the cool side, there was nothing but warmth and laughter on our merry trip, and hoping a lasting friendship has begun.

We thank them for being great sports and fabulous, fun-loving people.

Mary  
Artman

Married for 64 years, Mary Artman and her husband, Jack, were native Memphians. Jack, a retired Staff Sergeant in the Marines, passed away in February 2015. The family consists of 3 children, 6 grandchildren, and 3 great grands.

Mary is very active in her church, Central Christian Church, serving as an Elder, Leader of the Christian Women's Fellowship, Teacher in the children's Sunday School, and Camp Counselor. She enjoys sewing, bridge, reading, and refinishing and upholstering furniture. She and her husband traveled to England, France, Hawaii, Canada, and "all over" the U.S. Now widowed, Mary continues to travel but prefers cruise ships. She also has yearly vacations with family at the beach.

We are pleased that Mary has chosen the Kirby Pines Retirement Community as her new home. We also invite her to use experience gained by many years of active involvement in Church activities, to further the work of Kirby Pines volunteer opportunities – newcomers are urged to "try their hand" and participate in the wide variety of programs geared to enhancing the lives of our residents.

Marilyn  
Prince

Marilyn comes to the Kirby Pines Retirement Community from her previous home in Germantown, TN. She and husband, John, were married for 57 years. They moved 33 times during their years together, living in Tennessee, Mississippi, Wisconsin, and Kentucky. John was in the Marine Corps and served in the Korean War. For 18 months, Marilyn worked in Washington, D.C. for the FBI while John was in the Military. They have 3 children and 4 grandchildren. John passed away in 2013.

In addition to living and working in Washington, D.C., Marilyn traveled to New York City and the Holy Land. Christian music and "soft" music are her preferences. Leisure time finds her working jigsaw puzzles, painting, and watching TV.

We are pleased to welcome Marilyn Price to our retirement community. She's certain to make new friends and find many opportunities to pursue her interests and develop new ones along the way. So if you see Marilyn around, make her feel at home with smile and a hello!

Don & Louise  
South

Married for 59.5 years, Donald and Mary Louise (Louise) come to our community from their previous home in Collierville, TN. Two children and four grandchildren complete the family's constellation.

Donald's 56 years in the work force include 31 years with Sears as a stock man, 12 years with Jordon Window Company in shipping and receiving, and 13 years as a truck driver. He also served in the Army National Guard for three years, including 6 months active duty; and 5 years with the Air Force National Guard with the rank of Staff Sergeant. He was an aircraft mechanic. Louise worked 12 years for Sears as a typist; 5 years at Harding Academy as a teacher's aide, and 18.5 years at St. Francis Hospital in medical records.

Donald's interests are fishing and yard work, and Louise's are reading and traveling. They also enjoy church activities, visiting with friends, and frequent socializing with their grandchildren.

Get to know Donald and Louise South. Many of us can relate to their varied but steady work history; economic misfortune was not their lot. Life is indeed good. Kirby Pines welcomes them. They've made the right choice in joining us.

Jan  
Thomson

Marjorie Ann Thomson (Jan) is the embodiment of constant motion. Her kin and personal life give lie to traditional assumptions and notions that females are the weaker sex and need to be "looked after".

Married 49 years, Jan and her husband, Dudley, have 4 children, 11 grandchildren, and 5 great grands. Dudley passed away in 1999. In 1952, UT Knoxville awarded Jan a B.A. Degree in English and Speech. She also earned a Masters in School Media, from Peabody College. The degrees led to 29 years employment in the Shelby County School system and Memphis City Schools, teaching English, Speech, and Library Science. She was honored as a Rotary Club teacher of the year in 1988, as an Ambassador of the school system. She speaks at many gatherings, mostly about story telling. Her interests include crafts, bridge, reading, writing, drama, story telling, Bible study, and travel.

Kirby Pines welcomes Jan with open arms. This skilled, talented, educated, and young-at-heart new resident is a welcomed addition to the wide variety of programs and volunteer opportunities that make Kirby Pines the place to be. Jan Thomson and Kirby Pines Retirement Community is a win-win combination.

Flexibility is defined as the ability of your joints and body parts to execute their full range of motion. As one gets older so do their muscles. Muscles tend to lose their strength and size and become stiff with aging. This affects the range of movement around your joints. Flexibility is needed to perform everyday activities such as walking, bending, lifting, getting in and out of bed, etc. There are many benefits that come with flexibility.

The benefits that are contributed from greater flexibility are less pain, improved movement, reduced muscle soreness, and improved physical performance. Flexibility can improve posture because tight muscles affect your spine's alignment. Improved circulation is another benefit. Tension in the muscles affects circulation. When the muscles are more flexible they relax and create circulation. Overall, flexibility has many benefits which can be achieved easily within one's daily routines.

There are many ways to stay flexible and even improve your flexibility. Stretching and exercising regularly, at least once a day, is the best way to maintain flexibility. Stretching should always be incorporated in everyone's daily exercise routine. Stretching can be simple and can even be done sitting down while doing daily activities. Yoga is a great exercise to gain greater flexibility. Diet and nutrition are also a contributor to good flexibility, an unhealthy diet can make matters worse. Flexibility is very important and has many benefits. Try to incorporate into your daily routine for maximum results.

Remember to join Katie for her Wellness Presentation in the PAC on Dec 7th at 10:00 am after the morning exercise class.

## CAPTURING HIS VISION

Innate talent, latent during formative years of childhood, but poised to shape and support the ultimate world view of the man – noted photographer, Bob Williams.

Born in 1924 to Katherine Weigel Williams and Lee Terry Williams - each parent was talented in the arts – Katherine, in voice and piano, and Lee, in painting. The genetic “code” of these talents was passed to their son, Bob, surfacing as a sharp eye for capturing on film myriad faces and events on which his life-long reputation was built. While in the Boy Scouts, a camera from his mother was his introduction to the art of capturing faces, figures, beautifully situated inanimate objects, pets, and ordinary events of every day life. Bob learned to pose and photograph his subjects, and how to develop the film for pictures taken. Over time, a diligent and determined young man matured into an acknowledged master of filming. He still has his mother’s 1930s box camera among the many accolades saluting his career.

Bob was inducted into the Army Air Force during WWII, serving as an Official War Photographer in North Africa, Corsica, and Italy. After victory in Europe his group was ordered to Okinawa, but while en route the mission was aborted after atomic bombing of Hiroshima and Nagasaki forced Japan to surrender. Upon discharge, he returned to Tennessee, married Mary Jo “the most beautiful girl in the world” (his words), and, ultimately, gained a position as photographer with the Memphis Commercial Appeal. His human interest photos quickly found a loyal readership that continued unabated during his 33 years with the paper. Numerous awards were bestowed: Tennessee Photographer of

# KIRBY PINES GIVES BACK!

Kirby Pines residents and Retirement Companies of America, LLC. have contributed a total of \$5,025 to Samaritan's Purse. This money will be used to purchase shoeboxes filled with Christmas gifts that will be distributed in December to children around the world in 150 different countries. For many children, this will be the first Christmas gift they have ever received.

Charles Trammell, President of Retirement Companies of America, Berry Terry, Secretary/Treasurer of Psalms, LLC and Don Johnson, Kirby Pines Chaplain present a check to Samaritan's Purse.

A challenge was presented to our residents in September that we raise \$2,500 to give to Samaritan's Purse to purchase 100 shoeboxes for Operation Christmas Child. Our residents responded to this challenge as they always do. Not only did we reach our goal of \$2,500, we doubled the amount that will be used to purchase 201 gift shoeboxes. Samaritan's Purse is a part of the Rev. Franklin Graham ministry located in Boone, North Carolina.

Now that we have given the money to purchase the shoeboxes, the most important thing we can do is to begin praying for the children who will receive one of these shoe box gifts.

**THANK YOU KIRBY PINES AND RCA FOR MAKING THIS HAPPEN!**

## O HOLY NIGHT

On Christmas Eve, 1906, a Canadian – born inventor named Reginald Fessenden transmitted the first radio broadcast in history from an experimental tower in Massachusetts. Fessenden, who is sometimes referred to as the “Father of Radio Broadcasting,” read passages from the Bible and then played the Christmas carol, “O Holy Night,” on his violin. When he did, he made “O Holy Night” the first song ever transmitted over radio waves.

This carol of Christmas was the creation of Placide Clappeau, the mayor of Roquemaure, France. Clappeau, a wine maker, also wrote poetry, mostly for his own enjoyment. His minister asked him to write something special for Christmas celebration. While riding in a carriage to Paris Clappeau penned his lyrics. He asked Adolphe-Charles Adam, a classical composer of music mostly presented in secular venues and ballets, to create the melody for “O Holy Night.” Clappeau’s powerful lyrics so greatly impressed the French composer that he created the deeply stirring music for the song. No one can question that the lyrics and music make a perfect combination for one of the all time great songs of the season.

In 1847 this song was first presented. It became an overnight success. Later, when the French church discovered Clappeau had left Christianity to fol-

low the social movement of his day, and also learned the music composer, Charles Adams, was Jewish, the hymn was banned. Because it was so popular with the people, who continued to sing it outside the church, “O Holy Night” grew in public acceptance and was reinstated. John Sullivan Dwight later translated the lyrics into English and it became an American favorite of Christmas carols. Around the world this song has provided praise and inspiration. Not only making history in broadcasting, Clappeau’s work has uplifted Christmas celebrants around the world.

This beautiful song of the season gives us many lessons. God is able to use those we may consider most unlikely to bring Him praise and honor. And God can put together a team which can make a creation so special that it will inspire and bless others globally. God can take something that some would discredit and throw away and keep it both lasting and enriching.

The lyrics of “O Holy Night” present that Christmas 2000 years ago as “Divine.” It tells us what lay beyond the manger...darkness dispelled by light... despair pushed away by deliverance... sadness replaced by joy... emptiness filled with abundance...and so much more.

May you discover such a night for yourself.

May this inwardly be your greatest Christmas!

Till next time,
